½ C Honey  
¼ tsp Salt

1 C Chopped Walnuts  
1 C Shredded Coconut  
2 tsp Vanilla  
¼ C Brown Sugar  
4 C Dried Fruit

Preheat oven 300°

In a pan over medium heat add butter, vanilla, honey, brown sugar, & salt. Bring to a simmer.

Add oats, pecans, walnuts & shredded coconut, stir. Fold in dried fruit.

Dump mixture onto a parchment covered sheet pan. Bake for 20 - 30 min. until lightly brown. It will become crunchy as it cools. Allow it to cool completely.

If you feel it's too soft increase baking time 5 – 10 min.

You can also make this a granola bar if you press it into a greased 13x9 pan. Bake for 30 – 40 min. Allow to cool completely, cut & serve.
