

## Bourbon Honey Pretzels

5 oz. jar of Funny Farm Apiaries Bourbon infused Honey.

6 C Pretzels Nibs or broken sourdough pretzels.

1T + 1tsp melted unsalted butter.

Mix melted butter & honey together in a bowl, add pretzels and stir until well coated. Place on a baking sheet lined with parchment paper. Bake at 350° F on middle rack of oven for 4 min., stir return to oven for an additional 4 min. Remove from oven, stir, and cool on wire rack for 5 min. Remove the parchment paper and continue to stir gently several times until cool.

**Tip: It is best if your honey is stored in a warm place for flowability. It makes it easier to coat the pretzels.**
